SECTION 1

SIGNIFICANT EVENTS

Case Report 23-1697

Brighton Police Department has arrested a juvenile female in connection to a homicide that occurred in the 400 block of North 6th Avenue. [Read the full news release on our website.](#) Earlier this week, the 17th Judicial District Attorney's Office announced the formal filing of charges related to this homicide.

"The 15-year-old defendant is charged with:

First-Degree Murder (F1)

First-Degree Aggravated Motor Vehicle Theft (F5)

Possession of a Handgun by a Juvenile (M2)

The case was filed in Adams County District Court. However, because the juvenile defendant is under the age of 16, a judge will ultimately determine whether the case remains in Juvenile Court or is transferred to the District Court. The process is often lengthy, and until the Judge officially transfers the case to the District Court, the District Attorney's Office is unable to name the juvenile defendant. Booking photos are not available for juvenile defendants even when they are direct filed into District Court. The filing of a criminal charge is merely a formal accusation that an individual(s) committed a crime(s) under Colorado laws. A defendant is presumed innocent until and unless proven guilty."

Case Report 23-1742

On March 29 around 5:20 p.m. officers were dispatched to the 1400 block of Hummingbird Circle on reports of shots fired. After further investigation officers learned that a male subject was armed with a gun and had barricaded himself inside a house. Residents in the area were asked to shelter in place. The Brighton/Commerce City SWAT team arrived on scene along with trained negotiators. After nearly an eight hour standoff, the suspect was taken into custody.

Case Report 23-1784

On March 31 around 1 p.m. officers were dispatched to a disturbance with weapons in the 800 block of South Kuner Road at a nail salon. Upon further investigation, officers learned that a married couple had been fighting and the male threatened the female with a knife. The male then took the same knife and cut his own finger off. After receiving medical attention the male was processed and booked into Adams County jail on charges of felony menacing and domestic violence.

THIS WEEK'S SAFETY TIP

April is Sexual Assault Awareness Month. Under-reporting of sexual assaults is a major problem throughout this country. The Brighton Police Department's participation in the [You Have Options Program](#) is our commitment to sexual assault victims that they will not only be heard, but also have their individual concerns addressed during both the reporting and investigative process. The Brighton Police Department will not require any sexual assault victim to make a decision regarding their participation in a criminal investigation when they initially report. Sexual assault victims are given the time they need to make the decisions right for them, regardless of the criminal investigation. Priority is always given to a sexual assault victim's physical safety and mental well-being.
